Resource: Encompass <https://www.encompassnw.org/>

Encompass is a nonprofit that partners with families in the Snoqualmie Valley, Issaquah, and Eastside communities to build healthy foundations for children of all abilities. At Encompass, we passionately believe that every family deserves a place to turn when they need help. Through [Early Learning](#), [Pediatric Therapy](#), and [Family Enrichment](#) programs for children ages 0-8 and their families, Encompass has given thousands of children the foundation they need to get the right start—and thrive for a lifetime.

Stand Against Racism provides an opportunity for communities across the United States to find a local issue that inspires them to take a **#StandAgainstRacism** and to unite their voices to educate, advocate, and promote racial justice. To learn more, visit the website: standagainstracism.org.
