## ALWAYS HAVE A PLAN B!

### DO YOU NEED FREE LEGAL HELP?

Eastside Legal Assistance Program provides free, high-quality civil legal services to people in need... and the need has never been greater.

### Parents: Do you have a Safety Plan?

A safety plan is a plan that is created to help you to avoid dangerous situations or how to act in risky situations. It is a plan that is developed by you, for you (and your children) A safety plan helps parents plan for the care of their children in case there is anything that can happen to them, such as designating a caregiver and explain your wishes for the care of your children.

ELAP recommends finding a trusted adult to be the caregiver that is within 20 to 30 minutes within reach. Talk to your children about the plan and seek help and support.

Eastside Legal Assistance Program can help! To get more information or to make an appointment, call (425)747-7274.

THANK YOU SUMMIT LIFE CHURCH!

On Thursday, July 18 Summit Life Church came and sponsored our Summer Luau by providing volunteers, face painting, snow cones, bouncy houses, and outdoor activities! Residents enjoyed grilled BBQ chicken sandwiches and hotdogs.

Junior Clean Green Patrol

Youth residents

are eager to lend a hand to help clean especially when the office has treats for the helpers.
