## KINDNESS

/noun

1. **Loaning someone  
your strength  
instead of  
reminding them of  
their weakness.**

### Dorothy Height (1912 - 2010)

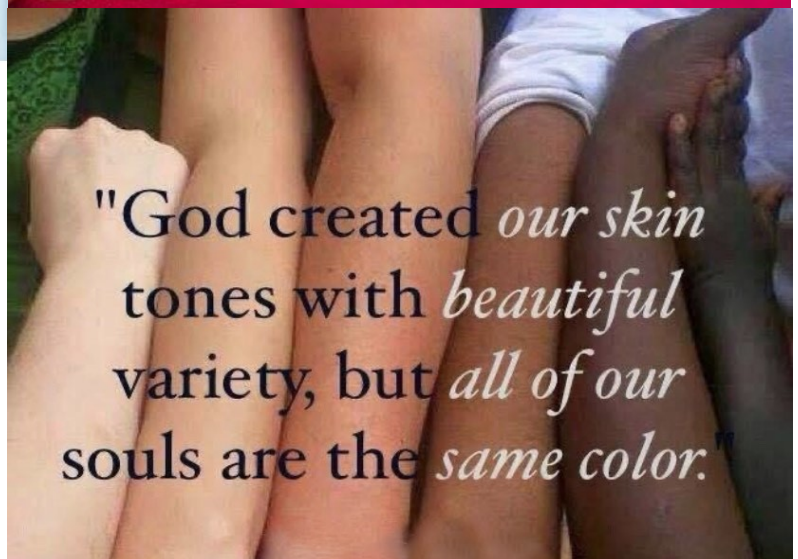

Hailed the “godmother of the women’s movement,” Height used her background in education and social work to advance women’s rights. She was a leader in the Young Women's Christian Association (YWCA) and the president of the National Council of Negro Women (NCNW) for more than 40 years. She was also among the few women present at the 1963 March on Washington, where Dr. King delivered his famous “I Have a Dream” speech.

In the 1950s, Ella Fitzgerald was not allowed to play Hollywood's most popular nightclub, Mocambo, because of her race. Marilyn Monroe, who was a big fan, called the owner & told him that if he booked Ella, Marilyn would be there every night — which guaranteed huge press coverage. He booked Ella and Marilyn was there, front table, every night. Ella said, "After that, I never had to play a small jazz club again. She was an unusual woman – a little ahead of her times. And she didn't know it."

## PRACTICE KINDNESS

"God created *our skin*  
tones with *beautiful*  
variety, but *all of our*  
souls are the *same color*."

## PROPERTY HAPPENINGS

**ATTENTION ANIMAL OWNERS:** We have been finding a great deal of animal waste throughout the property along with unauthorized animals. This is a reminder that all animals, regardless if they are a pet, service animal, companion animal, etc. must be registered with the office. If you do not properly control and care for your animal, you will be held liable if it causes damages to the property or disturbs other residents. Animals should be kept on a leash and under your supervision at all times. You are required to clean up your animal's waste immediately and dispose of it properly. If anyone (you, your guests, or other occupants) are found to be in violation of this, you will receive lease violation notices accordingly and be charged for us to clean it up. It is no one else's job to pick up after your animal, please do your part in keeping our community clean and healthy.

**GARBAGE:** We have had a recent increase in illegal dumping and have missed regular trash pick-ups due to the garbage collection areas being blocked. As residents, it is your responsibility to properly dispose of trash in the correct receptacles. If you have furniture, electronics, or other large items, it is your responsibility to arrange disposal. These items should not be left in the garbage or garage areas. Any households that are found to be illegally dumping garbage will receive a 10-day notice of lease violation and will be charged for the removal.

**PARKING:** Please remember that a valid parking pass is required in the Family Village Parking garage from 7:00 PM – 6:00 AM. Each household may only register one vehicle and parking is on a first-come, first-served basis. ADA-designated parking spots must not be used without a proper ADA parking permit. Please refer to your Parking Rules Addendum for the full list of rules. Any vehicle found in violation of the parking rules will be towed at the vehicle owner's expense. Additionally, please park in all garage parking spaces **FRONT-FORWARD**. We have been experiencing issues of CO2 detector alarms being activated due to drivers backing into parking spaces. If you have any question, please contact the Housing Office.
