YWCA Seattle | King | Snohomish is dedicated to eliminating racism, empowering women, and promoting peace, justice, freedom, and dignity for all.

June 2020  
Vol. 6 No. 6

The murder of George Floyd was the result of inhumane police brutality that is perpetuated by a culture of white supremacy. What happened to George Floyd was not the result of a bad apple; it was the predictable consequence of a racist and prejudiced system and culture that has treated Black bodies as the enemy from the beginning. What happened to George Floyd in Minneapolis is the fruit borne of toxic seeds planted on the shores of our country in Jamestown in 1619, when the first enslaved men and women arrived on this continent. Floyd is the latest in a long list of names that stretches back to that time and that shore. Some of those names we know — Ahmaud Arbery, Breonna Taylor, Oscar Grant, Eric Garner, Trayvon Martin, Michael Brown, Emmett Till, Martin Luther King, Jr. — most we don't.

Eliminating racism is core to the YWCA mission. Reforming & demilitarizing our police are critical to that mission. Standing up for our values means putting racial equity first, we stand with courageous people protesting the murder of [#GeorgeFloyd](#) & police brutality here in WA

ashalaylay82 Tonight I laid on the Burnside Bridge with my hands behind my back for 8 minutes and 46 seconds.

I thought about [#georgefloyd](#) the whole time.

[#icantbreathe](#) .

This was a protest to the lack of justice surrounding his murder, a statement that we will not ignore what is happening to our black brothers and sisters in this country, and that **BLACK LIVES MATTER** .

This was a powerful and emotional moment but it is not enough.
