Independent Auditor's Report

**To the Board of Directors
Young Women's Christian Association
of Seattle-King County-Snohomish County
Seattle, Washington**

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the financial statements of Young Women's Christian Association of Seattle - King County - Snohomish County and Subsidiaries (collectively, the Organization), which comprise the consolidated statement of financial position as of December 31, 2021, and the related consolidated statements of activities, changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of December 31, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of Summerfield Rehab LLLP (Summerfield), Snohomish Portfolio LLLP (Snohomish), Opportunity Place Housing LLLP (Opportunity Place), and YWCA Family Village at Issaquah II, LLC (FVI II) consolidated entities.

Summerfield's financial statements reflect total assets of approximately \$17 million at December 31, 2021, and total revenues of approximately \$883,000 for the year then ended. Snohomish's financial statements reflect total assets of approximately \$62 million at December 31, 2021, and total revenues of approximately \$3.3 million for the year then ended. Opportunity Place's financial statements reflect total assets of approximately \$43 million at December 31, 2021, and total revenues of approximately \$1.9 million for the period then ended. FVI II's financial statements reflect total assets of approximately \$14 million at December 31, 2021, and total revenues of approximately \$512,000.

Those statements were audited by other auditors, whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for Summerfield, Snohomish, Opportunity Place, and FVI II, has been based solely on the report of the other auditors.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Information Included in the Gratitude Report

Management is responsible for the other information included in the Gratitude Report. The other information comprises the operating revenue and expenses by category but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Report on Summarized Comparative Information

We have previously audited the Organization's 2020 consolidated financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated July 13, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2020 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on pages 37 and 38 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

OTHER REPORTING REQUIRED BY GOVERNMENT AUDITING STANDARDS

In accordance with *Government Auditing Standards*, we have also issued our report dated July 28, 2022, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

(With Comparative Totals for 2020)

Note 1 - Nature of Activities

Young Women's Christian Association of Seattle-King County-Snohomish County, dba YWCA Seattle | King | Snohomish, and Subsidiaries (collectively, the Organization) was established in 1894.

OUR MISSION: YWCA is on a mission to eliminate racism and empower women.

OUR VISION: A healthy community transformed by racial and gender equity, where women and girls of color have equal access to opportunity, and there is social justice for all people.

OUR CORE BELIEFS:

- When the barriers of institutional and structural racism are broken down, everyone will benefit.
- Because women of color have been historically marginalized and excluded, their voices must be centered in this work.
- When people are confident in their inherent strength and communities are valued and self-directed, they are empowered.
- We must stand together across lines of difference with courage, compassion, and commitment to transform our community.

The Organization's comprehensive, integrated intervention and prevention services are offered in three program areas. Our programs work toward overcoming racial and gender disparities and institutional barriers that drive inequities in housing, employment, health care access and quality of life. Our services prioritize women and girls who are low income and face the greatest racial disparities. The three program service areas are:

Housing - Permanent housing, emergency shelter and time-limited housing, housing case management, homelessness prevention programs, and homeless services, including Angeline's Center for Homeless Women.

Economic Advancement - Employment and financial empowerment programs, career centers and specialized services, child care and afterschool programs, and the GirlsFirst program.

Health and Safety - Domestic violence services for adults and children, education and advocacy for people needing access to health care, Sexual Violence Legal Services, and BABES Network.

Note 2 - Summary of Significant Accounting Policies

Principles of Consolidation - The consolidated financial statements include the accounts of Young Women's Christian Association of Seattle-King County-Snohomish County (YWCA), and its controlled subsidiary organizations, Young Women's Service Association of Seattle-King County (YWSA), YWCA Family Village at Redmond LLC, YWCA Greenbridge LLC, YW Home Now LLC, YWCA Family Village at Issaquah LLC, YWCA Family Village at Issaquah II LLC, Summerfield Admin GP LLC, Summerfield Rehab LLLP, Snohomish Portfolio Admin GP LLC, Snohomish Portfolio LLLP, Opportunity Place Housing Admin GP LLC, Opportunity Place Housing LLLP, and Seneca Admin GP LLLP. All intercompany transactions have been eliminated.

Note 2 - Continued

YWSA - During 1986, the YWSA, a Washington nonprofit corporation, was established by YWCA. YWSA was formed to renovate the single-room occupancy facilities of floors five through eight of the facility located at 1118 Fifth Avenue in Seattle. In 2007, to facilitate the acceptance of New Markets Tax Credit, YWCA donated the balance of the facility located at 1118 Fifth Avenue to the YWSA. The YWSA now owns the entire building. YWCA retains control of YWSA via totally interlocking boards of directors and a single chief executive officer.

YWCA Family Village at Redmond LLC - YWCA Family Village at Redmond LLC is a separate entity created in 2010 to own the Family Village at Redmond permanent supportive housing project. YWCA Family Village at Redmond LLC is wholly-owned by YWCA and is therefore included in the consolidated financial statements of the Organization.

YWCA Greenbridge LLC - YWCA Greenbridge LLC is a separate entity created in 2007 to purchase and hold real property. It holds title to the YWCA Learning Center at Greenbridge, located in the White Center area of unincorporated King County, which was completed in November 2008. YWCA Greenbridge LLC is wholly-owned by YWCA and is therefore included in the consolidated financial statements of the Organization.

YW Home Now LLC - YW Home Now LLC (Home Now) is a separate entity created in 2006 to act as a member in future YWCA housing projects. Home Now owns the Passage Point supportive housing project. In 2007, King County granted an easement that gave the land and existing buildings to Home Now for YWCA's use over the next 50 years as long as the site is used to provide services. The project renovated the former Cedar Hills Alcohol Treatment Center in Maple Valley into 46 housing units for persons exiting the correction system, which was completed in 2011. Home Now is wholly-owned by YWCA and is therefore included in the consolidated financial statements of the Organization.

YWCA Family Village at Issaquah LLC - YWCA Family Village at Issaquah LLC is a separate entity created in 2009 to purchase and hold real property. It holds title to Phase I of YWCA Family Village at Issaquah, which includes 98 units of housing and non-housing spaces. Construction of the project was completed in 2011. YWCA Family Village at Issaquah LLC is wholly-owned by YWCA and is therefore included in the consolidated financial statements of the Organization.

YWCA Family Village at Issaquah II LLC - In 2009, YWCA Family Village at Issaquah II LLC was formed. This entity was set up to hold title to Phase II of YWCA Family Village at Issaquah, which includes 48 units of housing. The LLC is made up of a Managing Member, Special Member, and Investment Member, with ownership interests of 0.01%, 0.0%, and 99.99%, respectively. YWCA is the Managing Member, BCCC, Inc is the Special Member, and Boston Financial Investment Management, LP is the Investment Member. The activities of YWCA Family Village at Issaquah II LLC are consolidated with the financial statements of YWCA in accordance with U.S. GAAP, as YWCA has substantial indirect control.

Summerfield Admin GP LLC - In 2015, YWCA and a related party individual formed this entity, which was created to serve as the administrative general partner of Summerfield Rehab LLLP. YWCA owns 79% of Summerfield Admin GP LLC and serves as the general partner. The activities of Summerfield Admin GP LLC are consolidated with the financial statements of YWCA in accordance with U.S. GAAP, as YWCA has a controlling interest.

Summerfield Rehab LLLP - In 2015, Summerfield Rehab LLLP was formed. This entity was set up to purchase the Summerfield Apartments in 2016 as part of the refinancing of that property with Low Income Housing Tax Credits. The partnership is made up of an Investment Limited Partner, a Special Limited Partner, an Administrative General Partner (Summerfield Admin GP LLC), and a Nonprofit General Partner, with ownership interest of 99.99%, 0.0%, 0.009%, and 0.001%, respectively. DASH, another local nonprofit housing provider, is the Nonprofit General Partner. The activities of Summerfield Rehab LLLP are consolidated with the financial statements of YWCA in accordance with U.S. GAAP, as YWCA has substantial indirect control.

Snohomish Portfolio Admin GP LLC - In 2016, YWCA and DASH, another local nonprofit housing provider, formed this entity, which was created to serve as the administrative general partner of Snohomish Portfolio LLLP. YWCA owns 79% of Snohomish Portfolio Admin GP LLC. The entity has elected to file as a corporation for tax purposes. The activities of Snohomish Portfolio Admin GP LLC are consolidated with the financial statements of YWCA in accordance with U.S. GAAP, as YWCA has a controlling interest.

Snohomish Portfolio LLLP - In 2016, Snohomish Portfolio LLLP was formed. This entity was set up with the intent to purchase three Snohomish County housing complexes (Wear To Live, Somerset Village and Victorian Woods) in 2017 as part of the refinancing of those properties with Low Income Housing Tax Credits. The partnership is made up of an Investment Limited Partner, a Special Limited Partner, an Administrative General Partner (Snohomish Portfolio Admin GP LLC), and a Nonprofit General Partner, with ownership interests of 99.99%, 0.0%, 0.009%, and 0.001%, respectively. The activities of Snohomish Portfolio LLLP are consolidated with the financial statements of YWCA in accordance with U.S. GAAP, as YWCA has substantial indirect control.

Opportunity Place Housing Admin GP LLC - In 2019, YWCA and DASH, another local nonprofit housing provider, formed this entity, which was created to serve as the administrative general partner of Opportunity Place Housing LLLP. YWCA owns 79% of Opportunity Place Housing Admin GP LLC. The entity has elected to file as a corporation for tax purposes. The activities of Opportunity Place Housing Admin GP LLC are consolidated with the financial statements of YWCA in accordance with U.S. GAAP, as YWCA has a controlling interest.

Opportunity Place Housing LLLP - In 2019, Opportunity Place Housing LLLP was formed. This entity was set up to purchase the Opportunity Place Apartments as part of the refinancing of that property with Low Income Housing Tax Credits. The partnership is made up of an Investment Limited Partner, a Special Limited Partner, an Administrative General Partner (Opportunity Place Housing Admin GP LLC), and a Nonprofit General Partner, with ownership interest of 99.99%, 0.0%, 0.009%, and 0.001%, respectively. DASH, another local nonprofit housing provider, is the Nonprofit General Partner. The activities of Opportunity Place Housing LLLP are consolidated with the financial statements of YWCA in accordance with U.S. GAAP, as YWCA has substantial indirect control.

Seneca Admin GP LLC - Seneca Admin GP LLC YWCA is a separate entity created in 2020 with the intention of pursuing tax credit financing for the rehabilitation of the Seneca building. Seneca Admin GP LLC is wholly-owned by YWCA and is therefore included in the consolidated financial statements of the Organization.

Note 2 - Continued

Basis of Presentation - In accordance with U.S. GAAP, net assets and revenues, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets that are not subject to, or are no longer subject to, donor-imposed stipulations.

Net Assets With Donor Restrictions - Net assets whose use is limited by donor-imposed time and/or purpose restrictions. Some net assets with donor restrictions include a stipulation that the assets provided be maintained in perpetuity while permitting the Organization to expend the income generated by the assets in accordance with the provisions of additional donor-imposed stipulations or a Board-approved spending policy. See notes 14 and 15 for more information on the composition of net assets with donor restrictions and the release of restriction.

Cash and Cash Equivalents - For the purpose of the consolidated statement of cash flows, the Organization considers all highly-liquid investments purchased with original maturities of three months or less, including those with limited restriction of use for reserves and tenant deposits, except for those held in its investment and reserves portfolios, to be cash and cash equivalents. At times during the year, the Organization had cash and cash equivalents in excess of federally insured limits on deposit in a single credit institution.

Limited Use Assets - The Organization is required under debt agreements and tenant rental activities to hold assets in restricted accounts.

Limited use assets consisted of the following at December 31:

	<u>2021</u>	<u>2020</u>
Cash-		
Building reserve accounts	\$ 4,019,605	\$ 3,800,210
Tenant security deposits	396,114	384,482
	<u>\$ 4,415,719</u>	<u>\$ 4,184,692</u>

Accounts and Grants Receivable - Accounts and grants receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances still outstanding after management has used reasonable collection efforts are written-off through a charge to the valuation allowance and a credit to accounts and grants receivable. A valuation allowance of \$85,870 has been recorded for the year ended December 31, 2021. No valuation allowance was deemed necessary for the year ended December 31, 2020.

Investments - Investments in marketable securities with readily determinable fair values and all investments in debt securities are measured at fair value in the consolidated statement of financial position. Investment income or loss (including realized and unrealized gains and losses on investments) is included in the change in net assets without donor restrictions unless the income or loss is restricted by donor or law. Investment balances are in excess of the available SPIC insurance.

SEATTLE-KING COUNTY-SNOHOMISH COUNTY AND SUBSIDIARIES**
Notes to Consolidated Financial Statements
For the Year Ended December 31, 2021
(With Comparative Totals for 2020)

Note 2 - Continued

Land, Buildings and Equipment - Land, buildings and equipment with a cost or value greater than \$5,000 are recorded at cost or, if donated, at the approximate fair value at the date of donation. Improvements are capitalized while expenditures for maintenance and repairs are charged to expense as incurred. Depreciation has been provided for furnishings and equipment on the straight-line basis over 3 to 12 years; for site and building improvements on a straight-line basis over 15 to 20 years; and for buildings on the straight-line basis over 40 years. Leasehold improvements have been amortized over the shorter of the useful lives of the assets or the lease term.

Impairment of Real Estate - The Organization reviews its investment in real estate for impairment whenever events or changes in circumstances indicate that the carrying value may not be recoverable. Recoverability is measured by a comparison of the carrying amount of the assets, net of accumulated depreciation, to the future net undiscounted cash flow expected to be generated and any estimated proceeds from the eventual disposition. If the real estate is considered impaired, the impairment to be recognized is measured at the amount by which the carrying amount exceeds the fair value as determined from the appraisal, discounted cash flows analysis, or other valuation technique. There was no impairment loss recognized for the years ended December 31, 2021 or 2020.

Donated Property and Services - Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Items of questionable or uncertain value are not recorded. Otherwise, donations are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as support with donor restrictions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

Donated services are recorded at fair value if they create or enhance a nonfinancial asset or if they consist of specialized skills that would have been purchased if they were not donated. In most cases, this represents labor to construct or improve an asset or necessary professional services.

Leases - The Organization determines if an arrangement is a lease at inception, including the classification of operating or finance. Operating leases are included in right of use (ROU) assets and lease liabilities on the consolidated statement of financial position. ROU assets represent a right to use an underlying asset for the lease term and operating lease liabilities represent the Organization's obligation to make lease payments arising from the lease. ROU assets and lease liabilities are recognized at the commencement date based on the present value of lease payments over the lease term. The Organization's leases do not provide an implicit rate of return; thus, the Organization uses a risk-free discount rate, determined using a period comparable with that of the lease term at the lease commencement date. The ROU asset also includes any lease payments already made, other initial direct costs and excludes lease incentives. Lease terms may include options to extend or terminate the lease when it is reasonably certain the Organization will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term. A ROU asset and operating lease liability is not recognized for leases with an initial term of 12 months or when total lease payments are less than \$50,000.

Grants to Others - The Organization provides payments on behalf of individual clients and also pass-through grants to other organizations. The assistance for clients includes rental, utility, transportation, childcare, food, tuition, clothing and other types of assistance.

**YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF
SEATTLE-KING COUNTY-SNOHOMISH COUNTY AND SUBSIDIARIES**
Notes to Consolidated Financial Statements
For the Year Ended December 31, 2021
(With Comparative Totals for 2020)

Note 2 - Continued

Revenue and Support - The Organization recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give are not recognized as revenues until the conditions on which they depend have been met. Government contracts and grants are conditioned upon certain performance requirements and the incurrence of allowable qualifying expenses. It is the Organization's policy to record donor-restricted contributions that were initially conditional contributions that are received and expended in the same accounting period as activity of net assets without donor restrictions. All other donor-restricted contributions are recorded as activity of net assets with donor restrictions and a release of restriction is recorded when the restriction is met. At December 31, 2021 and 2020, conditional contributions approximating \$14,935,202 and \$12,240,599, respectively, of which no amounts had been received in advance, have not been recognized in the accompanying consolidated financial statements.

The Organization operates affordable housing properties. Rental revenue is recognized for apartment rentals as it accrues. Advance receipts of rental revenue are classified as prepaid rent liabilities until earned. A portion of the Organization's rental revenue is received in the form of governmental rental subsidy payments.

Operating and Nonoperating Activities - All activities are considered operating except for endowment contributions, contributions of long-term assets or contributions restricted for the acquisition of long-term assets and the related releases, loan forgiveness, and nonoperating investment income (Note 5).

Federal Income Tax - YWCA and YWSA have been notified by the Internal Revenue Service that they are exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code. YWCA Family Village at Redmond LLC, YWCA Greenbridge LLC, YWCA Home Now LLC, YWCA Family Village at Issaquah LLC, and Seneca Admin GP LLLP are all treated as disregarded entities for federal income tax purposes and therefore, income or loss is included in YWCA's tax return. YWCA Family Village at Issaquah II, LLC; Summerfield Admin GP LLC; Summerfield Rehab LLLP; Snohomish Portfolio Admin GP LLC; Snohomish Portfolio LLLP; Opportunity Place Housing Admin GP LLC; and Opportunity Place Housing LLLP have no provision or benefit for income taxes included in these consolidated financial statements since taxable income or loss passes through to, and is reportable by, each partner or member individually.

Methods Used for Functional Allocation of Expenses - The consolidated financial statements report certain categories of expenses that are attributable to one or more program or supporting services of the Organization. The Organization has adopted a Cost Allocation Plan (the Plan) to document how it distributes direct costs shared by multiple programs. The guidelines of the Plan are to allocate costs to programs based on the extent that each program benefits. Shared expenses allocated include occupancy costs, senior program management staff compensation and related expenses, and information systems. Occupancy costs are allocated based on square footage. Management staff expenses are allocated based on the budgeted compensation for each program. Information systems expenses are allocated based on the number of workstations used by each program.

Use of Estimates - The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions affecting the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Comparative Totals - The consolidated financial information includes certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Organization's consolidated financial statements for the year ended December 31, 2020, from which the summarized information was derived.

Total Investment Return	<u>\$ 7,324,809</u>	<u>\$ 4,304,231</u>

Operating investment return is based on the board approved payout from accumulated earnings on endowment funds that are used to fund current operations of the Organization. All other investment return is considered nonoperating revenue.

	<u>2021</u>	<u>2020</u>
Operating investment return	\$ 1,754,749	\$ 1,447,074
Nonoperating investment return	<u>5,570,060</u>	<u>2,857,157</u>
Total Investment Return	<u>\$ 7,324,809</u>	<u>\$ 4,304,231</u>

Note 6 - Fair Values of Assets and Liabilities Measured on a Recurring Basis

Valuation Techniques - U.S. GAAP provides a consistent model for determining fair value measurements for financial assets and liabilities. U.S. GAAP identifies three levels of inputs that are used for measuring fair value. Financial assets and liabilities valued using Level 1 inputs are based on unadjusted quoted market prices within active markets for identical assets and liabilities. Financial assets and liabilities valued using Level 2 inputs are based primarily on quoted prices for similar assets or liabilities in active or inactive markets. Financial assets and liabilities using Level 3 inputs are primarily valued using management's assumptions about the assumptions market participants would utilize in pricing the asset or liability. Valuation techniques utilized to determine fair value are consistently applied.

Note 6 - Continued

The Organization measures the value of investments that do not have readily determinable fair values on the basis of the net asset value (NAV) per share, or its equivalent, as a practical expedient for measuring fair value. The Organization performs due diligence reviews of the NAV in the capital accounts with its investment managers to ensure conformity with U.S. GAAP. The Organization has assessed factors including, but not limited to, managers' compliance with fair value measurement standards, price transparency and valuation procedures in place, the ability to redeem at NAV at the measurement date, and existence of certain redemption restrictions at the measurement date. NAV is determined by audited financial statements of the investments and quarterly valuation updates provided by investment managers. The NAV of an investment may be adjusted to reflect illiquidity or non-transferability of an investment.

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or 2020.

Cash and Cash Equivalents - Amounts are primarily held in money market funds which are valued at cost plus accrued interest, which approximates fair value.

Equities, Mutual Funds and Government Bonds - Valued at quoted market prices for identical assets in active markets.

Corporate Bonds - Valued at the present value of the bond's cash flow.

Alternative Investment Funds - Valued using audited financial statements of the investments and quarterly valuation updates provided by investment managers, which represent the NAV of shares held at year end.

Interest expense totaled \$1,954,694 and \$1,982,974 for the years ended December 31, 2021 and 2020, respectively. Interest has not been imputed on any of the above mortgages that carry below-market rate loans as they are payable to governmental entities that set the interest rates and carry legal restrictions. The restrictions require the Organization to use the property for low-income housing, as defined by the mortgages' regulatory agreement.

The Organization has a line of credit agreement with a bank. The line allows for borrowings up to \$1,000,000, with interest due monthly at LIBOR plus 1.75%. Interest rate at December 31, 2021 was 2.2%. The line is collateralized by cash and investments held at the bank, and expires January 1, 2099. There were no borrowings outstanding at December 31, 2021 and 2020.

Note 8 - Paycheck Protection Program Loan

In response to COVID-19, the U.S. Congress passed the Coronavirus Aid, Relief, and Economic Securities Act (CARES Act). Included in the CARES Act was the Paycheck Protection Program (PPP) to provide loans to qualifying small businesses and not-for-profit organizations to cover certain eligible expenses. On May 14, 2020, the Organization obtained a loan under the PPP with a principal balance of \$3,183,575 and an annual interest rate of 1%. Principal and interest are payable in monthly installments beginning ten months after the loan's covered period through maturity on May 14, 2022.

All or a portion of the PPP loan may be forgiven if certain terms and conditions of the program are met. The Organization's accounting policy for recognition of revenue from forgiveness of the PPP loan is to recognize the revenue when the loan is forgiven by the lender. The loan was forgiven in full during the year ended December 31, 2021. Revenue for the forgiveness is recorded as non-operating activity in the consolidated statement of activities.

Note 9 - Employee Benefits

Pension Plan - The Organization contributes to the YWCA Retirement Fund, a separate 501(c)(3) not-for-profit organization (EIN 13-1624231, PN 001). The YWCA Retirement Fund operates an employer-sponsored cash balance defined benefit plan under Section 401(a) of the Internal Revenue Code. Based on the most recently available information, the Organization has determined this plan is not in "critical" or "endangered" status as defined by the Pension Protection Act enacted in 2006 (PPA) for the plan year ended December 31, 2021. "Critical" status is defined as being less than 65% funded and "endangered" is defined as being 65-80% funded. Contributions made by the Organization for the plan years ended December 31, 2021 and 2020, did not constitute 5% or more of total contributions made to this plan. The Organization has elected to contribute an amount equal to 10% of the employee's monthly compensation, and is not responsible for any excess benefit obligation, which is solely the responsibility of the YWCA Retirement Fund. Contributions to the plan during the years ended December 31, 2021 and 2020, were \$935,013 and \$910,447, respectively.

403(b) Plan - The Organization has a defined contribution retirement plan qualified under Section 403(b) of the IRC. The Organization does not match contributions to this plan.

Note 10 - Self Insurance Programs

Self-Insured Unemployment - The Organization participates in a private insurance pool with other 501(c)(3) organizations to provide unemployment compensation insurance for its employees. The Organization has recorded an accrued liability for unemployment compensation of \$203,940 and \$222,490 at December 31, 2021 and 2020, respectively, which represents its estimated liability for claims incurred but not paid and is included in other current liabilities on the consolidated statement of financial position. Funds held in the pool on behalf of the Organization totaled \$694,759 and \$600,015 as of December 31, 2021 and 2020, respectively, and are included in prepaid expenses and other current assets on the consolidated statement of financial position.

Employee Health Benefits - Beginning January 1, 2014, the Organization acts as a co-insurer for medical benefits provided to its employees. A medical insurance company processes, pays, and provides reports on the medical benefits plan's claims and reserves. Management has an accrual of \$1,082,329 and \$804,451 for claims that have been reported but not yet paid, and for claims incurred but not yet reported as of December 31, 2021 and 2020, respectively. The accrual is included in other current liabilities on the consolidated statement of financial position. The Organization is responsible for claims made, and also carries annual stop-loss insurance on an individual and collective basis.

The Organization's expense for employees' medical benefits was \$1,258,632 and \$1,053,622 for the years ended December 31, 2021 and 2020, respectively, net of employee premiums paid.

Note 11 - Concentration

For the years ended December 31, 2021 and 2020, the Organization received 61% and 39%, respectively, of its operating revenues from governmental sources. While government sources comprise a significant percent of operating revenues, this risk is mitigated by the large number of government grants received from a variety of government sources. A reduction in these programs would have a significant impact on the Organization's activities.

For the year ended December 31, 2020, the Organization received 34% of its operating revenue from one donor. There was no such concentration for the year ended December 31, 2021.

Note 12 - Leases

Real Estate Leases - The Organization leases real estate under operating leases expiring in 2022. The terms of the real estate leases generally provide for the Organization to pay utilities associated with the leased buildings. Total operating lease expense for the year ended December 31, 2021 and 2020 was \$349,623 and \$353,561, respectively.

Total Net Assets With Donor Restrictions	<u>\$ 39,677,602</u>	<u>\$ 32,896,991</u>

Earnings on the Endowment Guild fund are restricted by donors for child care programs; earnings on the Nordstrom Fund are restricted by donors for safety, survival, and self-sufficiency services for homeless women; and earnings on the Shirley Bridge Fund are restricted by donors for youth development programs. Earnings on all other donor-restricted endowment funds are considered to be with donor restrictions until appropriated by the Board of Directors for general support of the Organization.

Note 15 - Endowments

The Organization's endowment consists of funds established for a variety of purposes, and consists of both donor-restricted endowment funds and funds without donor restrictions that have been designated by the Board of Directors to function as endowments (quasi-endowments). As required by U.S. GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

For the Year Ended December 31, 2021
(With Comparative Totals for 2020)

Note 15 - Continued

The Organization's Board of Directors has reviewed the Washington State Prudent Management of Institutional Funds Act (PMIFA), and, having considered its rights and obligations thereunder, has determined that it is desirable to preserve, on a long-term basis, the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this determination, the Organization classifies as net assets with donor restrictions - corpus (a) the original value of gifts donated to the permanent endowment, and (b) the original value of subsequent gifts to the permanent endowment.

The remaining portion of the donor-restricted endowment funds and accumulated earnings are classified as net assets with donor restrictions - accumulated earnings until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by PMIFA. In accordance with PMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund;
- The purposes of the Organization and the donor-restricted endowment fund;
- General economic conditions;
- The possible effect of inflation and deflation;
- The expected total return from income and the appreciation of investments;
- Other resources of the Organization; and
- The investment policies of the Organization.

Endowment net assets consisted of the following:

	Without Donor Restrictions	With Donor Restrictions			Total Endowments
		Corpus	Accumulated Earnings	Total	
Endowment Net Assets, December 31, 2021	\$ 8,945,052	\$ 10,842,263	\$ 22,699,315	\$ 33,541,578	\$ 42,486,630

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or PMIFA requires the Organization to retain as a fund of perpetual duration. However, there were no such funds at December 31, 2021 or 2020.

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity or for donor-specified periods. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of a custom performance benchmark that is based 67% on the MSCI ACWI Investable Net, and 33% on the Fixed Income Barclays Aggregate Bond Index, while assuming a moderate level of investment risk.

The Organization expects its endowment funds, over a market cycle, to return at least the nominal payout percentage (defined as the actual payout amount as a percentage of the current market value of the fund) on the current market value plus the annual rate of inflation. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives - To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy - The Organization has a policy of appropriating for distribution each year 5% of its endowment fund's moving average fair value for the seven years prior to the current budget year. In establishing this policy, the Organization considered the long-term expected return on its endowment. Accordingly, over the long term, the Organization expects the current spending policy to generate a gradually increasing payout amount each year. This is consistent with the Organization's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

Note 16 - Contingencies

The Organization is involved from time to time in claims, proceedings and litigation arising in the ordinary course of business. The Organization does not believe that any such pending claims, proceedings or litigation either alone or in the aggregate, will have a material effect on the Organization's financial position or results of operations.

Note 17 - Liquidity and Availability of Financial Assets

The Organization structures its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In addition, it invests cash in excess of daily requirements in highly liquid investments. Approximately 50% of the Organization's funding comes from government grants which usually reimburse the Organization after the expenses are incurred. To help manage unanticipated liquidity needs, the Organization has a line of credit in the amount of \$1 million upon which it could draw.

The following reflects the Organization's financial assets as of the date of the consolidated statement of financial position, reduced by amounts not available for general expenditure because of internal, contractual or donor-imposed restrictions that limit the use of the financial assets to uses other than program expenditures to be incurred in the normal course of operations within one year of the date of the consolidated statement of financial position. Amounts not available include amounts set aside for long-term investing in the quasi-endowment (approximately \$8 million) and board designated reserves (approximately \$4.5 million) that could be drawn upon if the governing board approves that action. Although the Organization does not intend to spend from its quasi-endowment other than amounts appropriated for general expenditure as part of its annual budget approval and appropriation process, amounts from its quasi-endowment could be made available if necessary. However, amounts already appropriated from either the donor-restricted endowment or quasi-endowment for general expenditure within one year of the date of the consolidated statement of financial position have not been subtracted as unavailable.
