

# YWCA IS ON A MISSION

Dear Table Captain,

Thank you so much for being an integral part of YWCA's Luncheons in 2019. This year marks the 125<sup>th</sup> anniversary of YWCA Seattle | King | Snohomish and we absolutely wouldn't have made it this far without you! Your role as a Table Captain is vital; raising awareness of our work and bringing guests to our tables is crucial to the success of our organization and the women and families we serve.

Each year, our signature Luncheons bring together over 3,000 people to support services for more than 12,000 members of our community. Thanks to you, all of our Table Captains, and your guests, we've raised more than \$25 million in the past 30 years.

Together, we embark on a bold and exciting mission to eliminate disparities for women, girls, and people of color and ensure equal opportunity for all. This year we are 125 years strong and celebrating decades of service to making real change in our community.

We're thrilled that you and your guests will be joining us this year as we strive to bring YWCA and its mission to the forefront of our community. Your leadership is an essential part of this work.

The information on the Table Captain Dashboard will support you in your role as a Table Captain. If you have any questions, we're here to help. Please contact YWCA's Luncheon team at 206.490.4378 or send an email to [luncheon@ywcaworks.org](mailto:luncheon@ywcaworks.org).

Thank you for choosing YWCA and becoming a valuable part of our community.

With warmest gratitude,

Shannon Bell & Akila Somasegar  
Luncheon Co-chairs | YWCA Board Members
