

2025 LEGISLATIVE AGENDA

YWCA Seattle | King | Snohomish has been at the forefront of the biggest issues of the day for more than 130 years, and our work remains constant today. YWCA remains steadfast in our mission and commitment to peace, justice, freedom, and dignity for all people. Our 2025 Legislative Agenda includes state and federal policies aimed at advancing civil rights, building community, and fostering inclusive excellence. Impacted community members, allied organizations, public officials, and legal and policy experts helped shape these priorities.

Increase access to affordable, habitable housing, lower barriers to housing stability, and improve living conditions for those experiencing or at risk of becoming unhoused.

Protect funding for human services delivered by nonprofits and implement sustainable revenue solutions to make our state's tax code more fair.

Support survivors of domestic and other forms of relational violence and protect the health and safety for everyone in community.

Strengthen economic security for working families and build an economy that works for all people.

YWCA | Seattle | King | Snohomish is a nonpartisan organization, committed to serving our community regardless of the political landscape or political affiliations. We remain compliant with 501(c)(3) rules and regulations.
