BANKWORK$ ACHIEVEMENTS

From its inaugural class in 2011 through the final class of 2017, the YWCA’s BankWork$ program has become one of the most successful workforce development programs in the nation:

- Launched 469 banking careers in the Puget Sound region, with an additional 61 graduates placed in non-banking jobs for a total of 530 job placements over 44 classes.

- 76% of all graduates have accepted job offers.

- 2017 was our most successful year yet: 127 graduates accepted jobs out of a total of 150 graduates, giving us an 85% success rate.

- 85% of hires have retained their jobs at 6 months and 78% have their retained jobs at 12 months.

- A recent study by the Seattle Jobs Initiative showed that about a quarter of all BankWork$ hires were promoted in their first year, with an average wage after promotion of $19/hour.

- Many graduates are now receiving salaries between $40,000 and $50,000 a year.

- Graduates have been promoted to: Lead Teller, Personal Banker, Universal Banker, Operations Manager, Assistant Branch Manager, Service Manager, Relationship Manager, Client Experience Professional, and other positions in loans, mortgage, insurance, and management.

WHO WE SERVE

BankWork$ helps banks diversify their workforces and achieve greater cultural competency by reaching out to low-income communities and communities of color:

- 79% of our trainees were women

- 79% were members of low income or very low income households

- 73% were people of color
  - 35% identified as African American
  - 14% identified as Asian or Pacific Islander
  - 12% identified as Latino or Hispanic
  - 11% identified as Other
  - 1% identified as Native American
BankWork$ enrolls a large number of clients who are immigrants and refugees and up to half of each graduating class speaks more than one language. We also focus on veterans and in 2017 we featured a class completely composed of veterans and military spouses.
