

Food Bank

Dear Client,

For the safety of our guests, volunteers & staff, we are no longer disturbing food each week at our Food Bank. Instead, we will deliver groceries to those in need of food to your homes.

Food delivery is available to households in Seattle, regardless of age, health, and income.

Please only complete this form ONE TIME. You will receive it weekly ongoing off this form.

THIS HOME DELIVERY SERVICE IS TEMPORARY. This is a no contact drop- we will drop the boxes and/or bags at your house door, or building lobby. We will not go into homes, or go to inside doors. When COVID virus concerns subside, we will return to distributing groceries at the food bank each week, and you will be notified that your home delivery will end.

If this form is not filled out completely, it will NOT be accepted. It has to be signed to state you are agreeing to be home and take responsibility for the food once it's delivered.
